Alexander Van der Bellen

Vienna, 13 April 2021

Dear Madam President,

Allow me to extend my heartfelt congratulations on your election as President of the Republic of Kosovo.

Our two countries have always had close relations – political, economic, cultural, but most of all human relations. The fate of the people of Kosovo has always been close to Austrians' heart and it gives me pleasure to see that the existence of a large Kosovar community in Austria has fostered the understanding and human bonds between our two peoples.

Rest assured that Austria will continue to be a strong and reliable supporter of Kosovo on its European path.

I look forward to working together with you for the benefit of our two countries and of our common home Europe and I avail myself of this opportunity to convey to you my best wishes for the successful accomplishment of your important duties.

A handwritten signature in black ink, reading "A. Van der Bellen".

Alexander Van der Bellen
Federal President of the Republic of Austria

Her Excellency
